Making a difference in the next generation!

The Southeast Youth Leaders Conference exists to **encourage, equip, and strengthen youth ministry leaders** who are discipling the next generation.

Each year, **350-400 youth pastors and ministry leaders** from across the Southeast gather for biblical encouragement, practical training, and meaningful connection with other leaders serving students and families.

By sponsoring SYLC, you are partnering in the mission of **investing in the health of youth ministry leaders**, which ultimately impacts students, families, churches, and communities throughout our region.

SYLC intentionally limits sponsorship opportunities to ensure that partners receive **meaningful visibility and genuine interaction with ministry leaders** throughout the event.

We view sponsors as **partners**, not advertisers—and we design the conference accordingly.
